

Bosch 10P/16P

+MBER

Overall Score:  70/100
Reliability:  66/100
Running Costs:  76/100
Value:  70/100

The Bosch Pilot range is built for those who value simplicity and proven technology. With a standing pilot light for ignition and continuous flow heating, these external systems provide steady and consistent hot water without the need for electronics or batteries.

Model Number: TF250P/TF400P

	Bosch 10P (TF250P)	Bosch 16P (TF400P)
Gas Energy Rating	4.6	4.3
Suitable For	1-2 People	3-4 People
Hot Water Delivery	10LPM	16LPM
Powerpoint Required	No	No
Minimum Flow Rate	3.2LPM	3.2LPM
Gas Consumption	82MJ/HR	130MJ/HR
Dimensions	845mm Height 405mm Width 265mm Depth	936mm Height 460mm Width 265mm Depth
Warranty	10 Year Heat Exchanger 2 Years Parts & Labour	10 Year Heat Exchanger 2 Years Parts & Labour
Weight (Empty)	21KGS	25KGS
